

# Tile Tester Update

Megan Connors  
for the GSU and Debrecen Groups  
April 5, 2017  
HCal Meeting

# Tile Tester Mechanical

- Met with GSU shop tech to discuss details of design
- Working on price estimates for materials

- Need “final” tile dimensions

# Tile Tester Electronics

- Use Debrecen electronics experience from SiPM testing
- Need to change positioning on SiPMs relative to electronics
  - SiPM holder dimensions?
  - Balazs will visit BNL in May:
    - Obtain a SiPM holder to work with?

(GSU electronics currently used in GSU tests but will test Debrecen design when appropriate)

# Summary of Plans/Status

- Weekly email updates
- Meeting as needed (Mondays at 10am EST)
- Dimensions needed:
  - Finalizing mechanic design requirements
  - Finalizing board design for electronics
